

# Mathematics Revision – Sources of support

## Websites:

**@Mathemateg** <http://www.mathemateg.com/> or <https://www.youtube.com/user/adolygumathemateg>

@Mathemateg is a Welsh Medium mathematics website with a wealth of resources, including revision videos, revision notes, past paper questions and answers and revision quizzes.

**Mr Hegarty** [www.youtube.com/hegartymaths](http://www.youtube.com/hegartymaths) or <http://www.hegartymaths.com/>

Mr Hegarty is a mathematics teacher who has created a wealth of explanatory videos for each mathematical topic. At points during the videos he encourages you to pause and try the question yourself before going through it fully.

**BBC Bitesize** <http://www.bbc.co.uk/education/subjects/ztfkqty>

This easy to use site contains notes, activities, explanatory videos and tests for each topic. Available in Welsh and English.

**Mr Barton maths** <http://www.mrbartonmaths.com/>

Mr Barton provides advice and resources for pupils and parents to support with mathematics. His site includes tips on how to revise effectively.

## Who to follow on twitter:

Twitter can be a good source of support with some users tweeting links to helpful videos or posing questions and solutions for students to attempt.
